A STAR ALLIANCE MEMBER | AIR CANADA

Air Canada is Canada's largest domestic and international airline serving nearly 220 airports on six continents. Canada's flag carrier is among the 20 largest airlines in the world and in 2018 served nearly 51 million customers. Air Canada provides scheduled passenger service directly to 62 airports in Canada, 54 in the United States and 100 in Europe, the Middle East, Africa, Asia, Australia, the Caribbean, Mexico, Central America and South America. Air Canada is a founding member of Star Alliance, the world's most comprehensive air transportation network serving 1,317 airports in 193 countries. Air Canada is the only international network carrier in North America to receive a Four-Star ranking according to independent U.K. research firm Skytrax, which also named Air Canada the 2019 Best Airline in North America.

1. Select a flight from your originating city to a connection city that is on the route to your final destination.
2. Take note of the arrival time and add the minimum connecting time.
3. Select a flight from your connecting city to your final destination which leaves after your adjusted arrival time.
